Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on Green River Road and Poppy Garden Road east of Colona will begin on Tuesday, April 18, 2017. Brandt Construction Company is the contractor for the \$514,934 project to improve the 1.5 miles of Green River Road from US 6 to Green River and the 2 miles of Poppy Garden Road from IL 84 to Green River Road.

The contractor will be milling off the existing roadway surface, making pavement repairs, and resurfacing the two highways. Drivers should be alert for the flaggers who will be directing traffic past the work operations. The improvement is scheduled to be completed by mid-June.

Please slow down and use extreme caution while driving through all work zones.
